Who are the Friends of Ferris?

The Friends of Ferris is a non-profit charitable trust dedicated to the promotion and preservation of Ferris Provincial Park.

Originally formed in 1994, the Friends received charitable status in 1996, and incorporated in 2004.

As a Friend of Ferris Park, we continue to support, improve, protect and preserve the character of Ferris Park and to participate in activities for the betterment of our beautiful Park.

We also strive to educate the public about the unique qualities of Ferris Park including the natural, geological, biological, cultural, historical, educational, and recreational features, which should be preserved and protected for the use and enjoyment of this and future generations.
